STYLISH SWITCHES

The aesthetically pleasing ZENcelo Full-Flat switch has been crafted for the majority who use electro-mechanical switches. With ZENcelo, luxury is no longer defined by price but by wisdom and style.

ENABLED BY A NEW PHYSICS

The patented “impress” (iso-motionpress) mechanism ensures the switch dolly remains stationary when it is “on” or “off”, and at the same time occupying a much smaller footprint. Enabled by impress mechanism, ZENcelo makes the future flatter than you ever imagined.
